President's Invitation

As a business, local organization or interested individual we invite you to join our Cowichan Lake District Chamber of Commerce.

Our Chamber operates the Visitor/Business Centre which is an important entry point for thousands of visitors in this area.

The Chamber holds member meetings and facilitates networking, it organizes activities such as the Spring Fling and Xmas Party and it engages in a number of community activities that serve to promote business in our area.

As a member of the BC Chamber it links to Chambers across the province and is also able to offer a number of beneficial programs such as group insurance and discounted electronic deposits [see benefits]. The Chamber also maintains links with other Chambers and businesses in the Cowichan Valley.

We need your participation. With more members we strengthen our funding base and we have more confidence in representing the businesses in the valley.
